About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

We are delighted and extremely glad in announcing our next series after the grand success of Pediatrics 2022. The **“3rd International Conference on Pediatrics and Neonatology”** will be held in Dubai, UAE on **November 20-21, 2023**.

The program will grab on both international and regional speakers' who are experts in neonatal and pediatric knowledge. Topics would be focused on common and updated scientific knowledge with the theme of **“Evolving therapeutics in Pediatrics and Neonatology – Heal a child, change the world”**.

“Children are the hands by which we take hold of heaven. Every child deserves high-quality health care and you could make it happen.”

We cordially welcome all concerned people to come join us and make it successful by your participation!!

Join us either virtually or in Dubai, UAE and get inspired by the industry's top children care professionals and discover what it takes to advance your practice by providing better patient care. ([click here for more](#))

About Webinar

The **3rd International Webinar on Pediatrics and Neonatology** is Organized by Scientex conferences during **November 27-28, 2023** focused on the theme “Evolving therapeutics in Pediatrics and Neonatology – Heal a child, change the world”. Attendees has the opportunity to receive an e-certificate for attendance. Join this extraordinary forum to create meaningful partnerships with 50+ Pediatric and Neonatology experts.

Our goal is to bring together worldwide distinguished academics in the field of Pediatrics and Neonatology to exchange and share meaningful experiences of various treatment procedures for the cure of children.

We cordially welcome all concerned people to come join us at our meeting and make it successful by your participation. ([click here for more](#))

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

TARGET AUDIENCE

- General Pediatricians, Neonatologists, Adolescent Medicine Specialists, Pediatric Allergists and Immunologists, Pediatric Critical / Emergency Care, Physicians, Pediatric Cardiologist, Pediatric Endocrinologists, Pediatric Gastroenterologists, Pediatric Geneticists, Pediatric Haemato-Oncologists, Physicians, Pediatric Nephrologists, Pediatric Neurologists, Pediatric Nutritionists, Pediatric Pulmonologists, Primary Care Physicians, Pediatric Nurses.
- Scientists, Pediatric researchers, Medical Students
- Pediatric Societies and Associations Members, Pharma and Manufacturing Companies

Session Highlights

- Perinatal and Neonatal Care
- Neonatal Respiratory Diseases
- Pediatric and Neonatal Cardiology
- Nutrition and Growth
- Pediatric and Neonatal Oncology
- Pediatric Dentistry
- Pediatric Nephrology
- Pediatric and Neonatal Infectious Diseases
- Pediatric and Neonatal Surgery
- Emergency Medicine and Critical Care
- Pediatric and Neonatal Neurology
- Pediatric and Neonatal Endocrinology
- Pediatric and Neonatal Gastroenterology
- Adolescent Medicine
- Pediatric and Neonatal Ophthalmology
- Pediatric Palliative care
- Pediatric and Neonatal Pulmonology
- Developmental and Behavioral Pediatrics
- Pediatric and Neonatal Dermatology
- Pediatric Orthopedics
- Pediatric Otolaryngology
- Pediatric and Neonatal Pharmacology
- Pediatric and Neonatal Diseases and Disorders
- Clinical Case Study in Pediatrics and Neonatology

Venue and Hotel Details

Hotel Name and Address:

CITY SEASONS
DUBAI

CITY SEASONS SUITES HOTEL,
8th St - Port Saeed - Dubai - United Arab Emirates

Conveniently located close to Dubai International Airport, City Seasons Dubai offers quick access to Dubai Convention and Exhibition Centre, Dubai's world-famous shopping malls, golf courses, desert safari guides, tourist attractions and pristine beaches. The elegant interiors, the spacious rooms and suites combined with an attentive and friendly service make this Dubai centre hotel a favourite with business travelers, family stays and holidaymakers. City Seasons Dubai is an ideal destination for business, family and travel travel.

About Venue:

Dubai with its opulent architecture, breathtaking skylines, and enormous shopping malls, Dubai has become one of the most recognizable locations in the world. Dubai, one of the Middle East's most forward-thinking cities, is also the location of Burj Khalifa, the world's tallest man-made structure. The city is one of the ten most popular tourist destinations in the world. It is the commercial and cultural hub of the Middle East, and a global transport hub. The city is represented by its skyscrapers, including the world's tallest building, Burj Khalifa, in addition to aspiring development projects including man-made islands, world class extravagance hotels, and some of the largest and astonishingly modern shopping malls in the world. Dubai has developed as a cosmopolitan metropolis that has grown progressively to become a global loving spot as well as a business and cultural hub. Dubai has one of the finest public health systems in the world, offering an extraordinary standard of medical care in state-of-the-art facilities. [\(click here for more\)](#)

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

The **International Conference on Pediatrics and Neonatology** have successfully completed its 2nd series in Paris, France at Holiday Inn, Porte de Clichy, An IHG Hotel, which was organised by Scientex conference, and the Webinar in a magnificent way.

The meeting has gone on board with an opening ceremony followed by Keynote talks from Hadar Yardeni, Ministry of Health Office, Israel, Irina Cech, University of Texas in Houston, USA, Anna Degtyareva, Academician V. I. Kulakov National Medical Research Center for Obstetrics, Gynecology and Perinatology, Russian Federation, Ximena Gallegos Riofrio, Equinoccial Technological University, Ecuador and Vladimir Egorov, Advanced Tactile Imaging, USA and by a series of lectures (Oral & Posters) & workshops delivered by Honourable Guests and members from various reputed companies and Universities who have made their resplendent presence and addressed the gathering. In addition to it, we would like to give a special mention our moderator Deepa Awasthi, Occupational Therapist, India, for the Physical event and Olga Smilevska Spasova, Institute for respiratory diseases in children-Kozle, R. N. Macedonia for their enormous effort towards the success of the event

We thank all the participants for their formidable contribution towards the event which facilitated us for the successful accomplishment of this event.

We greatly hope to see you again, with added vibrancy and with your other colleagues in the 3rd Edition of International Conference on Pediatrics and Neonatology from November 20-21, 2023 at Dubai, UAE, and Virtually on November 27-28, 2023, through ZOOM.

Testimonials

Feedback

Luis Ángel Bolio Molina
Mexico

I can say that the event is an excellent means to publicize and disseminate our research work that provides new knowledge for the benefit of children and neonates around the world.

Valerie Bryant
USA

It was an excellent conference with a wide range of solid pediatric research and practice. Thank u so much for inviting me. It's a lot of work but successfully organized.

Amichai Ben Ari
Israel

The conference was very good. I enjoyed the level of the organization and from the communication with you. Thank you very much and it was a good day.

Neha Srivastava
India

I have attended this conference and it is an ocean of knowledge for me. All the doctors from all over the country came, and it was like gaining so much knowledge and so much of inputs were there. This is such a well-organized conference, and it was my pleasure an honour to be here. Looking forward to many more.

Peter Krcho
Slovakia

Dear Olivia, I would like to congratulate, the organisation of the conference in Paris was perfect, everything went smoothly and well planned. We were all able to interact with each other and discuss together on many topics.

Amornrat Ratanasiri
Thailand

Thank you very much for your very useful information's. Your conference at Paris is very useful and well organize.

Ghita Hachim
Morocco

It was a pleasure for me to participate in this great event. It was an amazing experience.

Olga Smilevska Spasova
R. N. Macedonia

The event was great good lectures and participants from all over the world. I was happy to be able to participate. It was a wonderful event, and a fun experience for me and my colleague Mirjana.

Svetlana Zhdanova
Russian Federation

Thank you for the opportunity to participate in your wonderful webinar, which you kindly gave me! It was very interesting and informative. Different and very relevant topics were interestingly reported at this webinar. It was very interesting to see and hear speakers from different parts of the world.

Ana Moreira
Portugal

I thank the organizing committee, for providing me with such an opportunity. It is a very nice conference with very nice presentations, and it is very important for us professionals, to share the knowledge and science and intervention results. Its lucky that I am being there as a part of it. I once again thank the organizing committee for making us feel very comfortable.

Past Conference Program

Day 01: November 28, 2022

Introduction: 09:45-10:00

KEYNOTE FORUM

10:00 - 10:40 Title: **Conception residences proximal major highways and neural tube defect births**

Irina Cech, University of Texas in Houston, USA

10.40 - 11.20 Title: **The Rehabilitative Daycare Centers (RDCC) in Israel - When a dream meets reality**

Hadar Yardeni, Ministry of Health Office, Israel

11:20-11:30

Photo session

ORAL PRESENTATIONS

11:30 - 11:55 Title: **The changed expression of muscle stem cells in levator ani muscle after pervaginal birth as a risk factor of pelvic organ prolapse**

Nirmala G Prabawati, Brawijaya University, Indonesia

11:55 - 12:20 Title: **High dose methotrexate and leucovorin rescue therapy in childhood malignancies: Experience in resource-limited country**

Shormin Ara Ferdousi, Combined Military Hospital, Bangladesh

12:20 - 12:45 Title: **Endometriosis: When to operate & when NOT to operate**

Maryam Al-Shukri, Sultan Qaboos University Hospital, Oman

12:45 - 13:45

Lunch

WORKSHOP

13:45 - 14:10 Title: **Association of pre-gestational diabetes mellitus (type 1 & type 2), gestational diabetes, and pre-eclampsia with preterm birth among Omani women**

Zainab Khalfan Al Maqbali, Oman College of Health Sciences, Oman

ORAL PRESENTATIONS

14:10 - 14:35 Title: **Giant cystic abdominal mass in an adolescent girl**

Aseel H S Hraishawi, University Hospitals of North Midland, United Kingdom

14:35 - 15:00 Title: **Dearterialization against obstetric hemorrhage: Hypogastric–ovarian ligation–sampson follow-up by pelvic computed tomography angiography**

Manuel Ramírez Cornelio, Hospital General de Tezuitlan, Mexico; Azael Jimenez Bonola, Universidad Nacional Autónoma de México, Mexico

15:00 - 15:25 Title: **Antepartum and intrapartum risk factors for neonatal hypoxic-hischemic encephalopathy: A systematic review and meta-analysis**

Cristina Rossi A, Clinic of Obstetrics and Gynecology, “San Paolo” Hospital, Italy

15:25 - 15:50	Title: Broad ligament myoma: A case managed by vaginal hysterectomy and broad ligament myomectomy Shubhdeep Kaur , Bombay Hospital and Medical Research Institute, India
15:50-16:10	Break and refreshment
16:10 - 16:35	Title: A comparative study of intravenous ferric carboxymaltose and double dose oral iron therapy in treatment of anemia in pregnancy Greeshma G , Vinayaka Mission Kirupananda Variyar Medical College, India
POSTER PRESENTATION	
16:35 - 16:50	Title: Rare association of trisomy 13 with ectrodactyly and congenital diaphragmatic hernia Nabil Salah Mahmoud Elmansoury , Sheikh Shakhbout Medical City, UAE
16:50 - 17:05	Title: Sirenomelia, the mermaid syndrome in Kuwait: A case report Fatemah Alhadhoud , Maternity Hospital, Kuwait
17:05 - 17:20	Title: Factors influencing the turnover of new nurses in Safra Children's Hospital Elad Kovetz , Safra Children's Hospital in Tel Hashomer, Israel
17:20 - 17:35	Title: Ovarian torsion at 18 weeks of gestation detorted laparoscopically: A case report and review of the literature Fatma Noorwali , National Guard Hospital, KSA
17:35 - 17: 50	Title: Gestational diabetes mellitus: Systematic screening and affiliated risk factors during pregnancy Chuong Canh Nguyen , Hanoi Medical University, Vietnam

Conclusion of Day 01

Day 02: November 29, 2022

KEYNOTE FORUM

10:00 - 10:40	Title: Symptoms for biliary atresia in neonates Anna Degtyareva , Academician V. I. Kulakov National Medical Research Center for Obstetrics, Gynecology and Perinatology, Russian Federation
10.40 - 11.20	Title: Microwave thermal ablation of uterine fibroids during laparoscopic surgery for endometriosis Massimo Bardi , Polyclinic San Pietro, Italy

11:20-11:30

Photo session

ORAL PRESENTATIONS

11:30 - 11:55	Title: Treatment of pediatric COVID on outpatient basis Rajaram M Weling , Bharatratna Dr Babasaheb Ambedkar Municipal General Hospital, India
---------------	---

11:55 - 12:20	Title: Use of compressive sutures in the control of obstetric hemorrhage as a conservative measure of the uterus in a Medical Center, from June 2017 to December 2020
	Erika Valencia , Universidad Nacional Autónoma de México, Mexico
12:20 - 12:45	Title: Covid-19 on the neonatal intensive care unit: An unique opportunity to study the effects on parental-child bonding and a restrictive visitor arrangement
	Anouk van Loo , Zuyderland MC, Netherlands
12:45 - 13:45	Lunch
13:45 - 14:10	Title: Carbon monoxide intoxication during pregnancy
	Ewa Gostkowska , University Clinical Centre on Gdansk, Poland
14:10 - 14:35	Title: A novel PGAP3 gene mutation-related megalocornea can be misdiagnosed as primary congenital glaucoma
	Suzan S Alhumaidi , King Saud Medical City, KSA
14:35 - 15:00	Title: SYCFIM, clinical study in patients with stress urinary incontinence, urgency and mixed
	Oscar Raúl Muñoz Ángel , Hospital "Raúl Orejuela Bueno", Colombia
15:00 - 15:25	Title: Sirolimus for treatment of kasabach-merritt phenomenon
	Amani Omar Bahadhailah , King Saud Medical City, KSA
15:25 - 15:45	Break and Refreshment
15:45 - 16:10	Title: Placental histopathology findings in pregnant women infected with COVID -19
	Vaidyanathan Gowri , Sultan Qaboos University, Oman
16:10 - 16:35	Title: Cytomegalovirus shedding in French daycare centers: A nationwide study of risk factors, prevalence, and circulating genotypes and parents awareness in a vaccine perspective
	Sophie Alain , National Reference Center for Herpesviruses, France
16:35 - 17:00	Title: Assessing the knowledge and attitude of menstrual hygiene among high school students, and menstrual practices among high school girls in rural Rwanda
	Isano Sandra , University of Global Health Equity, Rwanda
17:00 - 17:25	Title: How to perform a reliable full spine X-ray examination in juvenile and adolescent scoliosis. Experience outcome
	Sergio Palandri , AO Ordine Mauriziano di Torino, Italy
17:25 - 17: 50	Title: Implantation failure: Mother or embryo
	Raphael C Obiala Ezenwa , Universidad Autónoma de Baja California / OBILAB Laboratorio, Mexico
POSTER PRESENTATION	
17:50 - 18:00	Title: Team based learning effect on learning outcomes among medical postgraduate learners
	Amani Omar Bahadhailah , King Saud Medical City, KSA

18:00 - 18:10	Title: Paraurethral cyst with multiple stones: A Case report Fatma Noorwali, National Guard Hospital, KSA
Conclusion of Day 02	
Day 03: November 30, 2022	
KEYNOTE FORUM	
10:00 - 10:40	Title: Symptoms for biliary atresia in neonates Anna Degtyareva, Academician V. I. Kulakov National Medical Research Center for Obstetrics, Gynecology and Perinatology, Russian Federation
10.40 - 11.20	Title: Microwave thermal ablation of uterine fibroids during laparoscopic surgery for endometriosis Massimo Bardi, Polyclinic San Pietro, Italy
ORAL PRESENTATIONS	
11:20 - 11:45	Title: Dosimetric and radiobiological evaluation of combined radiotherapy of cervical cancer based on the VMAT technique Evgeniia Sukhikh, Tomsk Polytechnic University, Russian Federation
11:45 - 12:10	Title: Occupational therapy in the world of neonatology: An emerging therapeutic Deepa Awasthi, Occupational Therapist, India
12:10 - 12:35	Title: Routine laboratory tests for staging of cervical cancer: Novel potentialities Sushinskaya Tatyana Valentinovna, National Medical Research Radiological Centre of the Ministry of Health of Russia, Russian Federation
12:35 - 13:00	Title: Comprehensive care in chronic disease - Haemophilia, from medical perception to family involvement Horatiu Vultur, Giurgiu District Emergency Hospital, ArtMedical Clinic, Romania
13:00 - 14:00	Lunch
14:00 - 14:25	Title: Analysis of nutritional status of under five children in a rural community of Bangladesh Mohammad Abul Bashar, Gonoshasthaya Samaj Vittik Medical College, Bangladesh
14:25 - 14: 50	Title: New technique of marsupialización with continuous suture in “surget” in cases of acute bartholinitis, intrauterine device closed autoinsertable and autoadaptable with aplicador and aneuploidy screening in twin gestation Manuel Sánchez Seiz, University of Alcalá de Henares, Spain
14:50 - 15:15	Title: Relationship between filaggrin, eosinophilic major basic protein and atopic diseases in children Alameldin M Abdallah, Sulaiman Al Rajhi College, KSA
15:15 - 15:40	Title: To study the fetal and maternal outcome in preterm labor cases Ayushi Kumari, Grant Government Medical College & Sir J. J. Group of Hospitals Mumbai, India

15:25 - 15:45		Break and Refreshment
16:00 - 16:25	Title: Repair of anovaginal fistula surgeries: Our experience and literature search Fatma Noorwali , National Guard Hospital, KSA	
16:25 - 16:50	Title: The investigation of typical pain cognitive- behavior therapy and its computerized version effectiveness on reduction of pain intensity, depression, anger and anxiety in children with cancer Hamedi Vajihe , Shahid Chamran University, Iran	
16:50 - 17:15	Title: Intrauterine device closed autoinsertable and autoadaptable with aplicador Manuel Sánchez Seiz , University of Alcalá de Henares, Spain	
VIDEO PRESENTATION		
SCGP_01	Title: Prognostic significance of hematological parameters in newborns with congenital pneumonia Goryachko Alexander Nikolaevich , Belarusian State Medical University, Belarus	
Conclusion of Day 03		

Past Webinar Program

Day 01 (December 05, 2022)

WEBINAR PRESENTATIONS

09:00-09:25	Trends in outcomes for infants <24 weeks in Japan 2003-2016 Masanori Fujimura , Osaka Women's and Children's Hospital, Japan
09:25-09:50	Cases of postpartum hemorrhage and hysterectomy in Thailand's northern and northeastern provincial hospitals Amornrat Ratanasiri , Khon Kaen University, Thailand
09:50-10:15	BCG immunization: Complications and causes of their development Marina F Gubkina , Central TB Research Institute/N.I. Pirogov Russian National Research Medical University, Russian Federation
10:15-10:40	Early clinical indicators of acute pancreatitis in child presenting with abdominal pain Kaustubh Sadanand Trikande , NMC hospital, UAE
10:40-11:05	Predictors of phobic and anxiety disorders in early childhood Marina Kalinina , MHRC RAMS, Russian Federation
11:05-11:30	Severe pneumonia requiring ICU care caused by Human Metapneumovirus (hMPV) in infants Olga Smilevska Spasova , Institute for Respiratory Diseases in Children-Kozle, Republic of N. Macedonia
11:30-11:55	Langerhans-cell histiocytosis Ghada Maher , King Saud Medical City, KSA
11:55-12:20	Lipid peroxidation and the antioxidant system in children with juvenile idiopathic arthritis Iryna Chyzheuskaya , Belarusian Medical Academy of Postgraduate Education, Belarus
12:20-12:45	Alopecia areata vs trichotillomania. Differential diagnosis according to trichoscopy Aida Gadzhigoroeva , Moscow Scientific and Practical Center of Dermatovenereology and Cosmetology, Russian Federation
12:45-13:10	Prognostic significance of hematological parameters in newborns with congenital pneumonia Goryachko Alexander Nikolaevich , Sukalo Alexander Vasilyevich, Gocht Anastasiya Alexandrovna, Belarusian State Medical University, Belarus
13:10-13:35	High dose methotrexate and leucovorin rescue therapy in childhood malignancies: Experience in resource-limited country Shormin Ara Ferdousi , Combined Military Hospital, Bangladesh

13:35-14:00	Difficulties of breastfeeding with difficulty in nasal breathing in a child: Alternative methods of supplementary feeding
	Svetlana Zhdanova , Academician V. I. Kulakov National Medical Research Center for Obstetrics, Gynecology and Perinatology, Russian Federation
14:00-14:25	Methemoglobinemia in a patient with hemoglobin H
	Ghada Maher , King Saud Medical City, KSA
14:25-14:50	A system for assessing the subjective well-being of students as a factor in the management of an educational organization
	Anna Alekseeva , Federal Institute for Educational Development RANEPa, Russian Federation
14:50-15:15	Syndrome of contractures and deformities in newborn and babies according to Prof. Hans Mau - Problems of hips dysplasia, feet deformities, wry neck and so-called idiopathic scoliosis. Clinical therapy
	Tomasz Karski , Vincent Pol University, Poland
15:15-15:40	Title: The investigation of typical pain cognitive- behavior therapy and its computerized version effectiveness on reduction of pain intensity, depression, anger and anxiety in children with cancer
	Hamedi Vajihe , Shahid Chamran University, Iran

Conclusion of Day 01

Day 02: (December 06, 2022)

WEBINAR PRESENTATIONS

15:00-15:25	Allergic rhinitis- Clinical presentation and skin reactions during covid 19 pandemic in Skopje
	Mirjana Popovska , Institute for Respiratory diseases in children-Kozle, Republic of N.Macedonia
15:25-15:50	The effect of parental beliefs on post-traumatic symptoms of the parent and child after the child's surgery
	Amichai Ben Ari , Ariel University, Israel
15:50-16:15	Complexities of consent
	Naomi Dreisinger , The Valley Hospital, USA
16:15-16:40	Profile of children and adolescents in palliative care at the pediatric oncology intensive care center
	Amanda Danielle Resende Silva E Sousa , National Cancer Institute, Brazil
16:40-17:05	Unscheduled extubation in children admitted to the ICU: Incidence and associated factors
	Joane Leal , Institute of Integral Medicine Prof. Fernando Figueira, Brazil
17:05-17:30	Fortification of human milk at lower feeding volumes improves growth in infants <1250 g birth weight
	Robert Huston , Northwest Newborn Specialists, Pediatrix Medical Group, USA

17:30-17:55	Standing at the water's edge: Manymothers within the African diaspora Valerie Bryant , Relational psychoanalyst, USA
17:55-18:20	COVID19 infection in premature twins: A case report Ghita Hachim , Military Hospital of Rabat, Morocco
18:20-18:45	Subconscious bias Naomi Dreisinger , The Valley Hospital, USA
18:45-19:10	Risk behaviors of oncological patients in follow up Natália Vinhando , Sao Paulo, Brazil
19:10-19:35	Impacts of the use of caffeine citrate on the weight evolution of premature newborns in the neonatal intensive care unit of a Philanthropic Hospital, in Salvador-Bahia-Brazil Carina Pereira Da Silva , Neonatal ICU, Brazil
19:35-20:00	AI-driven longitudinal characterization of neonatal health and morbidity Nima Aghaeepour , Stanford University, USA
20:00-20:25	Cryptococcus meningitis in healthy pediatric patient Ricardo Hernandez , Advent Health East Orlando, USA
20:25-20:50	Spinal epidural hematoma in an infant patient: A differential diagnostic of spinal cord compression syndrome Felipe Gutierrez Pineda , University of Antioquia, Colombia
20:50-21:15	Delayed lactogenesis II of unsuspected origin Luis Ángel Bolio Molina , Pediatrician in public and private practice, Mexico
21:15-21:40	A Case Report on Ehlers Danlos Syndrome Ghita Hachim , Military Hospital of Rabat, Morocco
