SCIENTIFIC PROGRAM

SCIENTEX CONFERENCES
Where Holistic Knowledge Blooms

6th International Conference on

Pediatrics and Neonatology

Theme: Evolving therapeutics in Pediatrics and Neonatology – Heal a child, change the world

Date
November 13, 2026

Venue
Bangkok, Thailand

SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. **(click here for more)**

About Conference

Scientex Conferences feels auspicious to invite all the eminent professionals in the field of Pediatrics and Neonatology to the **6th International Conference on Pediatrics and Neonatology**, to be host on **November 13, 2026**, in the futuristic city of **Bangkok, Thailand**. This premier event is a significant gathering for experts, researchers, and professionals in the field of Pediatrics and Neonatology, providing a platform to share groundbreaking research, innovative practices, and the latest advancements in the domain.

For professionals in the fields of medicine, industry, pharmacology, surgery, teaching, and learning practices, Pediatrics 2026 offers a great opportunity. The goal of Pediatrics 2026 is not only to discuss the main theme of the conference, but also to connect the people in the same field across the globe which may pave the way for building a better community for brighter future in the field of pediatrics. **(click here for more)**

Presentations

	Jaya Sharma, S.M.S. Medical College, India
15:30-15:50	**Title: Diagnostic and prognostic values of eosinopenia, neutrophil to lymphocyte ratio, lactate and lactate clearance in neonatal sepsis: A prospective-cohort study**
	Hend Essam Mostafa, Minia University, Egypt
15:50-16:10	**Title: Right-sided congenital diaphragmatic eventration in a neonate: Diagnostic laterality and the role of advanced imaging**
	Ayesha Zubair, District Headquarters Hospital, Pakistan
16:10-16:30	**Title: Incidence and risk factors of neutropenia in neonates with hemolytic disease of the newborn**
	Fawzah Alrwuili, Alfaisal University, KSA
POSTER PRESENTATIONS	
SCPN- P01	**Title: Complications of sacrococcygeal teratomas in children**
	Nadezhda Erokhina, N.F. Filatov Children's City Hospital of Moscow Healthcare Ministry, Russian Federation
SCPN- P02	**Title: Experience in the treatment of inguinal hernias in premature and low-birth-weight children**
	Aylana Sat, N.F. Filatov Children's City Hospital of Moscow Healthcare Ministry, Russian Federation

Presentations

VIDEO PRESENTATION	
SCPN- VP	**Title: Impact of inhaled tauractant administration in newborns at risk of bronchopulmonary dysplasia on clinical and ultrasound characteristics of respiratory status**
	Vsevolod Makarov, Yekaterinburg Clinical Perinatal Center, Russian Federation

Day Concludes

***Note: You are requested to be present at the event right from the introductory session as there might be some changes in the event schedule and so the presentation timings may vary. In that scenario, your presentation slot may get preponed or postponed by a fair deal of time (in rare cases) to ensure a smooth running passage of the program without any delay. So, we request you to please be prepared to present your work whenever your turn comes up. Your understanding in this regard is very much appreciated.**

Speaker slots are available. To book your slot, please mail us at pediatrics@scientexconferences.com
